MANAGEMENT MESSAGE

Dear Customer,

Greetings from Ishraqah!

Welcome to another edition of the newsletter, your window to the Seasons Community. Seasons community has taken the shape of reality. We have employed all our resources to achieve the current progress of the Project. The Mock-up Apartment is ready for viewing which will give you an idea of your near future home. Enjoy reading and feel free to ask any questions or provide suggestions for future Newsletters.

"WE PROMISED A BUILDING BUT DELIVERING A GREEN BUILDING!"

The advantages of the a green building is that you will have 17.5% reduction in annual energy costs and 35% reduction in annual water use.
